POLITICAL ACTION FOR ANIMALS

Dear Animal Advocates of New York State,

The bill to prohibit the sale of puppies, kittens and bunnies in pet stores, from breeding mills is now sitting in the Assembly Rules Committee. The Chair of the Rules Committee is Assembly Speaker Carl E. Heastie. Please contact him today and politely ask him to: Report the PET STORE BILL (A04283) out of Rules and on to the Assembly floor for a House vote. You are welcome to convey the following message to him: This legislation will prohibit pet stores from selling puppies, kittens and bunnies from breeding mills. Pet stores are free to and are encouraged to utilize their space to showcase animals for adoption from reputable humane societies. This legislation will in no way impact any financial hardship for pet stores. Most stores make their revenue from pet food, supplies, etc. This legislation will help shut down the Breeding Mill Pipeline in New York State.

We must work quickly! The New York State Legislature's final day of session is Thursday June 10th. Please don't let the animals down! Call and email Assembly Speaker Carl E. Heastie today.
